Bastard Behaviour

Rotten Sound

[Music: Mika, Keijo, Rotten Sound]
[Lyrics: Xena]The raped son of god I was
The bastard son, named as j. christ
Remembered as a pitiful lord
Who enslaved all people in the name of godIn the name of god
I am your saviour
Follower of
Christian bastard behaviourThe raped son of god I was
Sent out to spread true lies
Born by the sterile mother
The inbreed and the 12 brothersIn the name of god
I am your saviour
Follower of
Christian bastard behaviourhallelujah!In the name of god
I am your saviour
Follower of
Christian bastard behaviour
