

Barrel Of A Gun

Guster

I know a movie star
Ive got her plastered to my wall
Just like were dear old friends
Like she already knows me
Shes as perfect as she seems
Lifts me right out the mezzanine
'Cause I finally fell in love
And Id been waiting forever
Four, three, two, one
When at the barrel of a gun
Keep my head way down
Stay out, Ill stay in
Half dead, half numb
Shes enough to make me warm
Its all so safe and sound
Lie back and fast asleep
If you could see what I could see
Drip drop a lovely dream
Goddamn you movie stars
Cant you just stay a minute more
'Cause wed be the best of friends
And I've been waiting forever
Four, three, two, one
When at the barrel of a gun
Keep my head way down
Stay out, Ill stay in
Half dead, half numb
Shes enough to make me warm
Its all so safe and sound
She will be sweet on me
Just like a mystery
Its not so hard to see
If Im not mistaken
She comes from far away
Gets closer every day
And all that I can say
Shes all I want and all that I live for
Four, three, two, one
When at the barrel of a gun
Keep my head way down
Stay out, Ill stay in
Half dead, half numb
Shes enough to make me warm
Its all so safe and sound
