

# Until It Kills

## Midtown

Drain  
Tarnished blood from bones  
Let those poisons  
Dry up  
Tonight we'll cleanse our souls  
Cause judgment day comes  
One day sooner this year  
One day sooner safe  
We were never pure again  
Keep them safe from what you'll discover  
Keep them safe from harm  
Keep them safe inside your home  
If it kills you
