

# I Love You Peggy

## Butthole Surfers

I love you peggy-o  
well I love you peggy  
well I love you pe-heg-ie  
oh peggyoh when I see your pretty brown skin  
oh it makes me want to sin  
why won't you let me in  
oh peggyI walk down the street peggy  
I look up to the sky  
your on the TV  
and I'm feelin' high  
you've got that snotty little grin  
and your husband, your husband is dead  
so put on that mini-skirt peggy  
let me see those long black legs  
I've gotta see those long black legsI love you peggy-o  
well I love you peggy  
well I love you pe-heg-ie  
oh peggy
