

# Baby Come Over

[Adina Howard](#)

Tonight is the night to make it alright  
Tonight is the night, baby come over, baby come over  
Tonight is the night to make it alright  
Tonight is the night, baby come over, baby come over Here I sit alone on a Saturday night feeling kinda horny  
Boy I ain't cool 'cos Im missing you  
But youre so far away baby, and I need you here by my side  
Theres so many kinky things we can do tonight Tonight is the night to make it alright  
Tonight is the night, baby come over, baby come over  
Tonight is the night to make it alright  
Tonight is the night, baby come over, baby come over Baby just a simple touch the little things mean so much to  
me  
Ill do any thing for you, if you ask me to Ill be there for you  
And baby I know you got a woman at home, you can never be alone  
To me, but its alright, 'cos all I need is tonight, come see about me Tonight is the night to make it alright  
Tonight is the night, baby come over, baby come over  
Tonight is the night to make it alright  
Tonight is the night, baby come over, baby come over And we can do some kinky things  
Check your heart, well don't you want to ride Lets take our time, baby let's take it nice and slow  
Baby Ill do you right, boy Ill make it good to you  
All I wanna do is make sweet love to you  
So dont make me wait too long, baby come over Tonight is the night to make it alright  
Tonight is the night, baby come over, baby come over  
Tonight is the night to make it alright  
Tonight is the night, baby come over, baby come over Tonight is the night to make it alright  
Tonight is the night, baby come over, baby come over  
Tonight is the night
