

# I Want a Little Girl

Lester Young

I want a little girl, call my own  
She must be someone who's all alone now  
Say, I want a little girl to fall in love with me, oh yeah I want a little girl, but she may not look  
Just like a picture in a story book  
If she can cook chicken, yeah, she'll suit me to a T And she don't have to wave her hair  
Or even wear fancy clothes, I wouldn't even care  
She don't wear nylon hose, ohh I want a little girl to love a lot  
You know that I'd give her everything I got  
I want a little girl to fall in love with me
