

One More Chance

[Eric Clapton](#)

Give me one more chance to make it up to you
Give me one more chance to show what I can do
Let me prove to you that my love is strong
Won't you come back home that's where you belong Oh baby, won't you give me one more chance?
Won't you give me one more chance? Well, the sun won't shine and it refuse to rain
And I bang my head but I feel no pain
Then I tell myself that I could start anew
But I know darn well it all depends on you Oh baby, won't you give me one more chance?
Won't you give me one more chance? So, if you hear this song, you might change your mind
And give a thought to me, I won't be hard to find
And I'll promise you to do the best I can
Change my evil ways and be your loving man Oh baby, won't you give me one more chance?
Won't you give me one more chance? So, give me one more chance to make it up to you
Give me one more chance to show what I can do
Let me prove to you that my love is strong
Won't you come back home that's where you belong Oh baby, won't you give me one more chance?
Won't you give me one more chance? Won't you give me one more chance?
