

Loving You Is Killing Me

[Aloe Blacc](#)

Loving you, is killing me
When you know it should be thrilling meLoving you, is choking me slowly
When I'm with you i still feel real lowlyLoving you, is busting me
You don't ever put your trust in meLoving you, should mean that I'm your king
You don't make me feel like anythingCHORUSNow i never knew you'd be so evil
How did you get to be so evil yeahNow you telling me, i was bad to you
You don't know what your talking 'bout girlHear me when i say
You can't just do whatever you want, girlVERSELoving you, is killing me
When it really should fulfill meLoving you, is aching me sadly
When I know that it should be making me happyLoving you is like a twisted game
Where the only thing I win is painLoving you, is hurtin' me
Every word you say, you murder meBRIDGEStop children, whats that sound
Looking my heart all over the groundStop children, what do you see
Why you keep shootin' at meCHORUSI never knew you'd be so evil
How did you get to be so evil yeahNow you telling me, that I'm bad to you
You don't know what your talking 'bout girlHear me when i say
You can't just do whatever you want, girlBRIDGELoving you
Is killing me
Is killing meLoving you
Is killing me
Is killing me yeahVERSELoving you, is killing me
When you know it should be building meLoving you, is holding me back
Why the hell you make me feel like thatLoving you, ain't worth all the suff'ring
In return you never give me nothingHere's the news about loving you
Well it's something that i used to doCHORUSI never knew you'd be so cold
How did you get to be so evil yeahNow you telling people, i was bad to you
You don't know what your talking 'bout girlHear me when i say
You can't just do whatever you want, girl
