

Moving To The Left

Woods

All of my life, is this happenin' again
Are we floating by and by
Are we moving to the left?
All of my days we're spinning with the sun
We're moving on and on
Are we moving with the rest!
It feels strange
It feels the same
We're speaking tongues
To hold the shame
You can cover up,
You can hide -
You feel again
What passes by won't stay with them
All of my life, is this happenin' again
Are we floating by and by
Are we moving to the left?
All of my days we're spinning with the sun
We're moving on and on
Are we moving with the rest!
It feels strange
It feels the same
We're speaking tongues
To hold the shame
You can cover up,
You can hide -
You feel again
What passes by won't stay with them
All of my life, is this happenin' again
Are we floating by and by
Are we moving to the left?
All of my days we're spinning with the sun
We're moving on and on
Are we moving with the rest!
All of my life, is this happenin' again
Are we floating by and by
Are we moving to the left?
All of my days we're spinning with the sun
We're moving on and on
Are we moving with the rest! Uuuu uh uh uh
Uuuu uh uh uh

Uuuu uh uh uh
