

# My Dreams Are Roses

Sunil Shantha

My dreams are roses for my love  
I drop them down for her feet  
Walk on them softly my love  
Your feet will make them more sweet .....

Love is love only  
When love is in with love  
I'm so lonely  
Come my love and love my love

My dreams are roses for my love  
I drop them down for her feet  
Walk on them softly my love  
Your feet will make them more sweet .....

Don't wake them don't break them my love  
Wake on them soft and come  
They are my dreams of your love  
I am lonesome come my lovesome.
