

My House (Trillogee Bootleg)

Flo Rida

Open up the champagne, pop!
It's my house, come on, turn it upHear a knock on the door and the night begins
'Cause we done this before so you come on in
Make yourself at my home, tell me where you been
Pour yourself something cold, baby, cheers to thisSometimes you gotta stay in
And you know where I live
Yeah, you know what we is
Sometimes you gotta stay in, inWelcome to my house
Baby take control now
We can't even slow down
We don't have to go out
Welcome to my house
Play that music too loud
Show me what you do now
We don't have to go out
Welcome to my house
Welcome to my houseMorning comes and you know that you wanna stay
Close the blinds, let's pretend that the time has changed
Keep our clothes on the floor, open up champagne
Let's continue tonight, come on, celebrateSometimes you gotta stay in
And you know where I live
Yeah, you know what we is
Sometimes you gotta stay in, inWelcome to my house
Baby take control now
We can't even slow down
We don't have to go out
Welcome to my house
Play that music too loud
Show me what you do now
We don't have to go out
Welcome to my house
Welcome to my houseWelcome to my duck off the crib, the spot, the pad
But my house is your house if you throwin' it back
Excuse me if my home bringing the sad
Soon as these happy faces lay you can run with the cash
Home run, slam dunk, touchdown, pass
Mi casa es tu casa so it ain't no holding back
Another shot of vodka, you know what's in my glass
It's my house, just relaxWelcome to my house

Baby take control now
We can't even slow down
We don't have to go out
Welcome to my house
Play that music too loud
Show me what you do now
We don't have to go out
Welcome to my house
Welcome to my house (It's my house, my house)
Welcome to my house
It's my house
