

# If I Could Talk I'd Tell You

## The Lemonheads

Half past nine, quarter to ten  
Ten-fifteen, and we're coming around again  
Hold off, are we going soft?  
Flushed my Zoloft, and we're comin' around again  
Found out, and I almost drowned  
Walked back down, and we're coming around again

[Chorus:]

If I could talk I'd tell you  
If I could smile I'd let you know  
You are far and away  
My most imaginary friend

{repeat chorus}

Khmer Rhouge, and genocide qua  
Your place or Mein Kempf, now I'm givin' the dog a bone  
Slight hunch, without the vaguest clue  
To keep the blood balanced, now we're coming around again  
Half past nine, quarter two,  
Ten-fifteen, and we're comin' around again

If I could talk I'd tell you  
If I could smile I'd let you know  
You are far and away  
My most imaginary friend

If I could talk I'd tell you  
If I could smile I'd let you know  
You are far and away  
My most imaginary friend
