

Radio

Nofx

Never fell in love
Until I fell in love with you
Never know what a good time was until I had a good time with you
If you want to get the feeling and you want to get it right
Then the music gotta be loud
For when the music hit I feel no pain at all

Warm summer night I was drinking with my dad
He tried to give me the love that I never had
But he gave more love to his bottle of wine
So I had to go out and find love of another kind

Here it is
Here I am
Turn it up
Fucking loud

Radio, Radio, Radio

When I got the music
I got a place to go

Radio clash
Magnificent 7
I was a choir boy
You showed me no heaven
Two tools surely lost
No remorse ignoring the cost

Here it is
Here I am
Turn it up
Fucking loud

Radio, Radio, Radio

When I got the music
I got a place to go
