

# Everybody

## Sister Hazel

You are so sexy my love  
You got me trippin' over my tongue  
And I can't say what I mean  
But I mean it when I say That I fell so hard for you  
That it broke my heart in two  
Now I'm wrapped in black and blue  
You know I'm crazy 'bout ...Should I take a chance  
Or should I sit and wonder of you I want to tell everybody - everybody  
That you're so much more  
Than they've ever seen before  
I want to tell everybody - everybody  
If they touched your hand  
Then they'd never want to let you go Like a junkie to a rush  
I'd trade my momma for your touch  
Oh wait that might just be too much  
Well I'd do anything but that You are so tempting my dear  
You strip away my useless fears  
No you don't care that I'm weird  
And that's amazing As you walk on by  
Oh I - I sit in wonder of you I want to tell everybody - everybody  
That you're so much more  
Than they've ever seen before  
I want to tell everybody - everybody  
If they touched your hand  
Then they'd never want to let you go Spinning around like nobody's watching  
Nobody else but me  
So far beyond my imagination  
If they could only see You are so sexy my love  
You got me trippin' over my tongue  
And I can't say what I mean  
But I mean it when I say I want to tell everybody - everybody  
That you're so much more  
Than they've ever seen before  
I want to tell everybody - everybody  
If they touched your hand  
Then they'd never want to let you go I want to tell everybody - everybody  
That you're so much more  
Than they've ever seen before  
I want to tell everybody - everybody

If they touched your hand  
Then they'd never want to let you go
