Throw Him Out He's Breaking My Heart

McCarthy

I have a warm heart
I care deeply for people
The world should be fairer
The world should be fairer
If you ask meOh throw him out before he breaks my heart
Throw him out he's breaking my heart
Throw him out before he breaks my heart
Throw him out he's breaking my heartWhy don't they give more
To the poor? Why don't they?
They should give more
They should look after old people
And the ill
So throw him out before he breaks my heart
Throw him out he's breaking my heart
Throw him out because he's breaking my poor heart in two
Throw him out he's breaking my heartUse your brain
Why don't you use your brain?
For warm hearts can stop no one
And fine feelings explain nothing
They change nothingSo throw him out before he breaks my heart
Throw him out he's breaking my heart
Throw him out because he's breaking my poor heart in two
Throw him out he's breaking my heart[the next section is very hard to figure out]Just go outside
You won't be sold
Sin certain sin
We won't give in (?)
Just go outside
We walk on sand (?)
We find we can (?)
We won't use guns deserves to be (?)So throw him out before he breaks my heart
Throw him out he's breaking my heart
Throw him out because he's breaking my poor heart in two
Throw him out he's breaking my heart[We gonna say to the whole goddamn government
Stick 'em up motherfucker, this is a holdup
We come for what's ours]
