Pop Will Eat Itself

Grebo Listen to the word of a man I overheard
He said tell them grebo
Tell them grebo
Tell them you're the first Give them everything you've got
You've got enough to rock the shop
You know that it comes easy
When you want it bad enough You gotta give it all your lovin'
(Oh, grebo)
Give it all your hate
(Oh, grebo)
Give it everything you've got
(Oh, grebo)
Then get out of my face You gotta give it all your lovin'
(Oh, grebo)
Give it all your hate
(Oh, grebo)
Give it everything you've got
(Oh, grebo)
Then get out of my face Grebo Sometimes a man is weak
And sometimes a man is strong
If you walk it like you talk it
Then you know you'll do no wrong We've got everything you want
And we've got everything you need
Oh, hell if that ain't good enough
Then we can make you bleed Grebo You gotta give it all your lovin'
(Oh, grebo)
Give it all your hate
(Oh, grebo)
Give it everything you've got
(Oh, grebo)
Then get out of my face You gotta give it all your lovin'
(Oh, grebo)
Give it all your hate
(Oh, grebo)
Give it everything you've got
(Oh, grebo)
Then get out of my face You gotta give it all your lovin'
(Oh, grebo)
Give it all your hate

(Oh, grebo)
Give it everything you've got
(Oh, grebo)
Then get out of my face You gotta give it all your lovin'
(Oh, grebo)
Give it all your hate
(Oh, grebo)
Give it everything you've got
(Oh, grebo)
Then get out of my face Rar, rar, rar, rar, rar, rar, rar
(Fuck this shit)
(Fuck this shit)
(Fuck this shit)
(Fuck this shit) United by love
Until death shall come
Smile 'cause we love you
You've got no need left to run If you take then give it
If you love it then live it
If you find it then you keep it
Gotta feel it gotta bleed it You gotta give it all your lovin'
(Oh, grebo)
Give it all your hate
(Oh, grebo)
Give it everything you've got
(Oh grebo)
Then get out of my face You gotta give it all your lovin'
(Oh, grebo)
Give it all your hate
(Oh, grebo)
Give it everything you've got
(Oh grebo)
Then get out of my face If you like it you can buy it
Do you want it bad enough
They keep lasting special offers
On the back seat of the bus We've got everything you want
And we've got everything you need
Learn to stand up straight my man
And get up off your knees You gotta give it all your lovin'
(Oh, grebo)
Give it all your hate
(Oh, grebo)
Give it everything you've got
(Oh, grebo)
Then get out of my face You gotta give it all your lovin'
(Oh, grebo)

Give it all your hate
(Oh, grebo)
Give it everything you've got
(Oh, grebo)
Then get out of my face You gotta give it all your lovin'
(Oh, grebo)
Give it all your hate
(Oh, grebo)
Give it everything you've got
(Oh, grebo)
Then get out of my face You gotta give it all your lovin'
(Oh, grebo)
Give it all your hate
(Oh, grebo)
Give it everything you've got
(Oh, grebo)
Then get out of my face You gotta give it all your lovin'
(Oh, grebo)
Give it all your hate
(Oh, grebo)
Give it everything you've got
(Oh, grebo)
Then get out of my face You gotta give it all your lovin'
(Oh, grebo)
Give it all your hate
(Oh, grebo)
Give it everything you've got
(Oh, grebo)
Then get out of my face Give it all
