

# 100 Ways to Be a Good Girl (Live and Acoustic)

## Skunk Anansie

I caused a major war just by talking  
You flew into a rage 'cause that's everything you know  
Childhood of violence, filled with heartache  
I flew into a rage 'cause that's everything I know I know one hundred ways to be a good girl  
One hundred ways, my willingness to please  
I know one hundred ways to be a good girl  
Still I'm alone, I'm alone, I'm alone, I'm alone  
I'm alone, I'm alone, I'm alone, I'm alone Shielded by unexpected fury  
Frightened survivor in my world too shy to see  
Softly I spoke, softly I'm dying  
Crushed by your power, by my willingness to bleed I know one hundred ways to be a good girl  
One hundred ways, my willingness to please  
I know one hundred ways to be a good girl  
Still I'm alone, I'm alone, I'm alone, I'm alone  
I'm alone, I'm alone, I'm alone, I'm alone Crucify me with isolation  
Crucify me, oh no, inside my private hell I know one hundred ways to be a good girl  
One hundred ways, my willingness to please  
I know one hundred ways to be a good girl  
Still I'm alone, I'm alone, I'm alone, I'm alone  
I'm alone, I'm alone, I'm alone  
One hundred ways, one hundred ways  
One hundred ways, one hundred ways I know one hundred ways to be a good girl  
Because you wanted me, because you wanted me  
But I don't want you so crucify me
