Last Words To Rose

Emmure

I am Bison and you, you are Rose
I am Bison and you, you are Rose
Sent here to destroy me
I am forced to leave you
I am Bison and you, you are Rose
I am Bison and you, you are Rose
Sent here to destroy me
I am forced to leave you
This is Shadaloo
This is Shadaloo
This is Shadaloo
This is Shadaloo

I am Bison and you
I am Bison and you, you are Rose
Sent here to destroy me
I am forced to leave you
This is Shadaloo
This is Shadaloo
This is Shadaloo
This is Shadaloo
I am Bison and you
