

# Last Words To Rose

## Emmure

I am Bison and you, you are Rose  
I am Bison and you, you are Rose  
Sent here to destroy me  
I am forced to leave you  
I am Bison and you, you are Rose  
I am Bison and you, you are Rose  
Sent here to destroy me  
I am forced to leave you  
This is Shadaloo  
This is Shadaloo  
This is Shadaloo  
This is Shadaloo

I am Bison and you  
I am Bison and you, you are Rose  
Sent here to destroy me  
I am forced to leave you  
This is Shadaloo  
This is Shadaloo  
This is Shadaloo  
This is Shadaloo  
I am Bison and you
