

# Beautiful Thing

[John Altman](#)

I didn't know that I would love you like I do  
I didn't think that I was ready to  
But there's something about the way you take my hand  
It's like I never touched a man  
And it's a beautiful thing  
You make me shy and you make me proud  
It's a beautiful thing, you make me laugh out loud  
And when you pull me to you I unravel  
I didn't know that love would fill me up so good  
I tried before but then you know it never would  
But there's something about the way you call my name  
Now I'll never feel the same  
And it's a beautiful thing  
You make me shy and you make me proud  
It's a beautiful thing, you make me laugh out loud  
And when you pull me to you I unravel  
And when you hold me I feel more and more a woman  
I never knew that I could feel so free  
And when you hold me I feel more and more a woman  
I never knew that I could feel so free  
And it's a beautiful thing  
You make me shy and you make me proud  
It's a beautiful thing, you make me laugh out loud  
And when you pull me to you  
And it's a beautiful thing  
You make me shy and you make me proud  
It's a beautiful thing, you make me laugh out loud  
And when you pull me to you I unravel  
I didn't know that I would love you like I do  
I didn't think that I was ready to
