

Change Your Life

Far East Movement

I can give you anything you want, oh oh
Guarantee you're never go to bed alone
I can take you all around the globe
Show you things I never seen alone
I can show you better better
Change your life forever ever
Yeah I can show you better better oh oh
Oh let me tell you, tell you

I can change your life I can change your life Yeah tonight, tonight I see you dancing all alone
I'm gonna light up your lights you never had this strip before
And make you feel that alright
Like you it's only got and known
Think you wanna feel the life and be my boom sign alone
I can change your life ola ola eh
Keep the night can't believe ola ola eh
So good you don't wanna leave
You wanna go all .. dirty base keep bumping here
If you wanna go all out I can give you anything you want, oh oh
Guarantee you're never go to bed alone
I can take you all around the globe
Show you things I never seen alone
I can show you better better
Change your life forever ever
Yeah I can show you better better oh oh
Oh let me tell you, tell you
I can change your life

I can change your life Hey still a hundred bottle of champagne
Know that this is a game
I'ma live it like I ain't never had a, overdraft
We can jump in the 5 50 upstream and fly any place you dream girl I'll cover that
Been around the world and I ya ya
Rocked the the globe I own and I ya ya
Promise I'ma blow ya mia-mia-mind
Girl! I can change your life I can change your life ola ola eh
Keep the night can't believe ola ola eh
So good you don't wanna leave
You wanna go all out dirty base keep bumping here
If you wanna go all out let me show you right now I can give you anything you want, oh oh
Guarantee you're never go to bed alone

I can take you all around the globe
Show you things I never seen alone
I can show you better better
Change your life forever ever
Yeah I can show you better better oh oh
Oh let me tell you, tell you
I can change your life
