Too Much

Emerson Drive

I've seen sweet temptation
And I've tried moderation
And I've learned how to walk that line
Cause I? ve found out the hard way
The price ain? t worth what you pay
Cause in the end those things you do
Right or wrong they come right back to youToo much beer will make you drunk
Too much sun will burn you up
Too much Las Vegas and you? ll be pushing your luck
Too much food will make you fat
Two much speed will make you crash
But baby when it comes to your love
I just can? t get too much
She's my last addiction
The one fix I can? t kick and
Single shot or double dose
It ain? t enough but what a way to goToo much beer will make you drunk
Too much sun will burn you up
Too much Las Vegas and you? ll be pushing your luck
Too much food will make you fat
Two much speed will make you crash
But baby when it comes to your love
I just can? t get too much
I've been hammered and I hit the ground
And I've staggered my way around
And I've stumbled till I fell down
So I know
Yes I know
Too much beer will make you drunk
Too much sun will burn you up
Too much Las Vegas and you? ll be pushing your luck
Too much food will make you fat
Two much speed will make you crash
But baby when it comes to your love
I just can? t get too much
