

# Hallelujah I Love Him So

Ella Fitzgerald

Let me tell you 'bout a boy I know  
He is my baby and he lives next door  
Every morning before the sun comes up  
He brings my coffee in my favorite cup  
That's why I know, yes, I know

Hallelujah, I just love him so When I'm in trouble and I have no friends

I know he'll go with me until the end  
Everybody asks me how I know  
I smile and tell them he told me so  
That's why I know, yes, I know

Hallelujah, I just love him so Now if I call him on the telephone

And tell him that I'm all alone  
By the time I count from one to four  
I hear him on my door

In the evening when the sun goes down  
When there is nobody else around  
He kisses me and he holds me tight  
He tells me "baby, everything's all all right"  
That's why I know, yes, I know  
Hallelujah, I just love him so
