Beyond The Wall Of Sleep

Sentenced

Fade into a dream...
Deep into a dormant pseudo-life
Drown into night...
Pass through the gate of sleep
I see faded colours...
I see a landscape so calm...
To live a life asleep... is to master mortality
I wander between these worlds
On a quest to find a key
When life seems to be lost
And death comes to my door
I vanish into a dream
Into a place so cold, yet warm
Within my flesh
A thorn is molesting my sleep
It's teasing me...
Am I human after all ?
(no)
Faded in dream...
Beyond the wall of sleep
For the sleep of death
Is the most divine
Sandman, stab me in the back...
Lord Ego, Punish me !
Cleanse me from humanity !
Reveal the fucking Beast !
I must drown the human ignorance
Deep in the lake of fire drink the wine
Sandman, stab me in the back...
Lord Ego, Punish me !
To live with a dream... is to master mortality
the quest to find a key... Still lives!
