

# Rock It

## Motörhead

Rock 'n' roll, save your soul,  
And I got it,  
Give it to me, loud and free,  
Don't knock it,  
Let me hear it 'til the end of time,  
It's the only way,  
Send shivers up and down your spine,  
You can't stop it, I'm tellin' you one more time,  
It ain't no crime, Rock It It's the only way to fly,  
Gotta have it,  
Break through, gonna break you too,  
Better grab it,  
Let me hear it 'til the end of time,  
It's the only way,  
It'll stop you on a dime,  
Gotta have it, Rock 'n' roll music gonna stop the world,  
Can't lose it,  
It'll make your toenails curl,  
Can't defuse it,  
Let me hear it all the time,  
It's the only way,  
Gonna make you feel alright,  
You can't excuse it
