For Once In My Life

Nancy Sinatra

For once in my life I have someone who needs me
Someone Ive needed so long
For once unafraid I can go where life leads me and somehow I know Ill be strongFor once I can touch what my heart used to dream of
Long before I knew
Someone warm like you
Who have my dreams come trueFor once in my life I won't let sorrow hurt me
Not like it's hurt me beforeFor once I have someone I know won't desert me
Im not alone anymoreFor once I can say
This is mine you cant take it
As long as I know I have love I can make it
For once in my life I have someone who needs meFor once I can say
This is mine you cant take itAs long as I know I have love we can make it
For once in my life I have someone who needs me
