

# For Once In My Life

[Nancy Sinatra](#)

For once in my life I have someone who needs me  
Someone Ive needed so long  
For once unafraid I can go where life leads me and somehow I know Ill be strong  
For once I can touch what my  
heart used to dream of  
Long before I knew  
Someone warm like you  
Who have my dreams come true  
For once in my life I won't let sorrow hurt me  
Not like it's hurt me before  
For once I have someone I know won't desert me  
Im not alone anymore  
For once I can say  
This is mine you cant take it  
As long as I know I have love I can make it  
For once in my life I have someone who needs me  
For once I can say  
This is mine you cant take it  
As long as I know I have love we can make it  
For once in my life I have someone who needs me
