Bleed (i Must Be Dreaming)

Evanescence

How can I pretend that I don't see,
What you hide so carelessly?
I saw her bleed,
You heard me breathe.
And I froze inside my self And turned away,
I must be Dreaming.
[dreaming]
We all live, [why]
We all die, [why]
That does not begin to justify you.
It's not what it seems,
Not what you think,
No, I must be dreaming
It's only in my mind,
Not real life,
No, I must be dreaming!
How though I've got to tell someone,
Tell them what I know you've done.
I fear you, but spoken fears can come true.

We all live, [why]
We all die, [why]
That does not begin to justify you.
It's not what it seems,
Not what you think,
No I must be dreaming!
It's only in my mind,
Not real life,
No I must be dreaming!
We all live, [why]
We all die, [why]
That does not begin to justify you.
It's not what it seems,
Not what you think,
No I must be dreaming!
It's only in my mind,
Not real life!
No I must be dreaming!
Not what it seems,

Not what you think,
I must be dreaming...
