

# Bleed (i Must Be Dreaming)

## Evanescence

How can I pretend that I don't see,  
What you hide so carelessly?  
I saw her bleed,  
You heard me breathe.  
And I froze inside my self And turned away,  
I must be Dreaming.  
[dreaming]  
We all live, [why]  
We all die, [why]  
That does not begin to justify you.  
It's not what it seems,  
Not what you think,  
No, I must be dreaming  
It's only in my mind,  
Not real life,  
No, I must be dreaming!  
How though I've got to tell someone,  
Tell them what I know you've done.  
I fear you, but spoken fears can come true.

We all live, [why]  
We all die, [why]  
That does not begin to justify you.  
It's not what it seems,  
Not what you think,  
No I must be dreaming!  
It's only in my mind,  
Not real life,  
No I must be dreaming!  
We all live, [why]  
We all die, [why]  
That does not begin to justify you.  
It's not what it seems,  
Not what you think,  
No I must be dreaming!  
It's only in my mind,  
Not real life!  
No I must be dreaming!  
Not what it seems,

Not what you think,  
I must be dreaming...
