

# Love Confusion

## Ghostpoet

Don't know how we got this far  
So attached now and this gets me  
Like a thief you stole my heart  
And I've fallen in love so unfairly  
Boy, I hate that my  
World revolves around you  
And I hate my heart  
'Cause it hurts without you  
Why, why am I so lost in you?  
And I don't even know me anymore  
Why, I don't know why I'm so confused  
'Cause I'm hating that I love you this much, boy  
Confused, I'm confused, I'm confused  
You gave me goosebumps every time  
My heart skips a beat when you touch me, I'm so mesmerized  
Who told you, you could be mine?  
I'm mad at you for this nice surprise  
Boy, I hate that my  
World revolves around you  
And I hate my heart  
'Cause it hurts without you  
Why, why am I so lost in you?  
And I don't even know me anymore  
Why, I don't know why I'm so confused  
'Cause I'm hating that I love you this much, boy  
You see I love you, then I hate you  
And I hate you because I love you  
And I need you, then I don't need you  
I don't know just what to do  
I think I hate you, yes, I hate you  
Wait, I love you, I love you  
I'm really so confused  
I love you, yes, I do  
Why, why am I so lost in you?  
And I don't even know me anymore  
Why, I don't know why I'm so confused  
'Cause I'm hating that I love you this much, boy  
Why, why am I so lost in you?  
And I don't even know me anymore

Why, I don't know why I'm so confused  
'Cause I'm hating that I love you this much, boy  
Why, why am I so lost in you?  
And I don't even know me anymore  
Why, I don't know why I'm so confused  
'Cause I'm hating that I love you this much, boy  
Confused, I'm confused, I'm confused  
Confused, I'm confused, I'm confused  
Confused, I'm confused, I'm confused
