Love Confusion

Ghostpoet

Don?t know how we got this far So attached now and this gets me Like a thief you stole my heart And I?ve fallen in love so unfairly Boy, I hate that my World revolves around you And I hate my heart ?Cause it hurts without you Why, why am I so lost in you? And I don?t even know me anymore Why, I don?t know why I?m so confused ?Cause I'm hating that I love you this much, boy Confused, I?m confused, I?m confused You gave me goosebumps every time My heart skips a beat when you touch me, I?m so mesmerized Who told you, you could be mine? I?m mad at you for this nice surprise Boy, I hate that my World revolves around you And I hate my heart ?Cause it hurts without you Why, why am I so lost in you? And I don?t even know me anymore Why, I don?t know why I?m so confused ?Cause I'm hating that I love you this much, boy You see I love you, then I hate you And I hate you because I love you And I need you, then I don?t need you I don?t know just what to do I think I hate you, yes, I hate you Wait, I love you, I love you I?m really so confused I love you, yes, I do Why, why am I so lost in you? And I don?t even know me anymore Why, I don?t know why I?m so confused ?Cause I'm hating that I love you this much, boy Why, why am I so lost in you? And I don?t even know me anymore

Why, I don?t know why I?m so confused
?Cause I'm hating that I love you this much, boy
Why, why am I so lost in you?
And I don?t even know me anymore
Why, I don?t know why I?m so confused
?Cause I'm hating that I love you this much, boy
Confused, I?m confused, I?m confused
Confused, I?m confused, I?m confused
Confused, I?m confused, I?m confused
