Last to Know

Buzzcocks

Will I be the last to know?
I've got this little question for ya
Will I be the last to know
Or is this just my paranoia?
Will I be the last to know?I came into your room while you were sleeping
And tip-toed to the bottom of your bed
I held my breath so I could hear you breathing
Love's such a sweet thingWill I be the last to know?
I've got this little question for ya
Will I be the last to know
Or is this just my paranoia?
Will I be the last to know?I want to give myself to you completely
I love you more than truth could ever tell
Please promise not to mistreat me or beat me
Just treat me sweetlyWill I be the last to know?
I've got this little question for ya
Will I be the last to know
Or is this just my paranoia?What will I discover?
Will you turn on me and say
You didn't mean to be unkind
You haven't changed your mind
You've never loved me anyway?I want to give myself to you completely
I love you more than truth could ever tell
Please promise not to mistreat me or beat me
Just treat me sweetlyWill I be the last to know?
I've got this little question for ya
Will I be the last to know
Or is this just my paranoia?What will I discover?
Will you turn on me and say
You haven't changed your mind
You've never loved me anyway?Will I be the last to know?
Will I be the last to know?
Will I be the last to know?
