

# Last to Know

## Buzzcocks

Will I be the last to know?  
I've got this little question for ya  
Will I be the last to know  
Or is this just my paranoia?  
Will I be the last to know? I came into your room while you were sleeping  
And tip-toed to the bottom of your bed  
I held my breath so I could hear you breathing  
Love's such a sweet thing Will I be the last to know?  
I've got this little question for ya  
Will I be the last to know  
Or is this just my paranoia?  
Will I be the last to know? I want to give myself to you completely  
I love you more than truth could ever tell  
Please promise not to mistreat me or beat me  
Just treat me sweetly Will I be the last to know?  
I've got this little question for ya  
Will I be the last to know  
Or is this just my paranoia? What will I discover?  
Will you turn on me and say  
You didn't mean to be unkind  
You haven't changed your mind  
You've never loved me anyway? I want to give myself to you completely  
I love you more than truth could ever tell  
Please promise not to mistreat me or beat me  
Just treat me sweetly Will I be the last to know?  
I've got this little question for ya  
Will I be the last to know  
Or is this just my paranoia? What will I discover?  
Will you turn on me and say  
You haven't changed your mind  
You've never loved me anyway? Will I be the last to know?  
Will I be the last to know?  
Will I be the last to know?
