You Bring the Freak

Profyle

Ooh, Profyle 2000
Yeah and this cut
Is for all the ladies
So get ready to take your clothes off, uh
Profyle, uh what, hey
Now to all my fellas
Rollin around in the fancy cars
Bling-blinging, singing
What I want you to do
Is blaze the L, ride to this nigga
Uh listenGirl I've been thinkin' bout you lately
You really are all this on my mind
Now listen closely pretty baby
Cause I'm not gonna waste your timeI've been needing you, wanting you
So can you come over and stay for the rest of the night?
It would be so nice girl, hmm
If I could treat your right girl1 - Turn off the lights, unplug the phone
Take off your clothes cause girl its on
Baby I just wanna hear you moan
Cause you bring out the freak that's in me
I wanna know if all is true
About the freaky things you do
Baby tonight it's just me and you
Girl your body's callin' for meGirl it's all about you
There's nothing that I'd rather do
Than be here with you
You've got me out of control
Baby can I love you, youSo show me just what you go
I don't rush it baby
Just tell me can I touch it baby
Just say that you'll stay for the rest of the night
And I will be satisfied, oohRepeat 1Well we can do it till you get enough
I don't wanna let you go
I just wanna know is it good enough
So baby can you let me know?
Hey baby
Get it on tonight
All night long tonight
Baby let's sweat tonight

I'm here to make you wet tonight
Turn off the lights, unplug the phone
Hey, cause we can get nasty
Anything you want I'll give it to you
I wanna know if all is true
All the freaky things they say about you
Girl you're lookin' so sexy, oh, oh
Tell me are you with me, oohRepeat 1 (2x)
