

Chill

Residual Kid

Do you know?
When Destiny calls for you
 I know
 You'll run
 As it stands
Everything gets worse from here
 I know
 You'll run

I'm a waterfall
Blown to pieces ten feet tall
I'll wait patiently above it
I'm the waking universe
 I'm awake

Have you seen
The tension in the air
 Dark sky
 burnt hair
 Danny called
 said he's doing fine
 but lost his mind

I'm a waterfall
Blown to pieces
 ten feet tall
I'll wait patiently above it
I'm the waking universe
 I'm awake

I'm a waterfall
Blown to pieces
 ten feet tall
I'll wait patiently above it
Got the keys to the universe
 Got the keys

Got the keys (x 10 times)
I know (repeated over and over in background)
