De Lux

I've never gotten high, never tried to get high.

(Well, there was that one time.

No, people don't really care.

They tell me "Good job. Good for you."

Respect.

No, they actually think I judge them, but I don't.

And some people ask me, "Don't you want to experience it?"

But I am!

And they say "But you don't really know what it's like."

No, you don't know what its like. To ever try. And that's a fact.

But it's subjective. It's subjective. It's subjective. Hey! Just a give it up! Now I get high on illusions.

Hey! Just a give it up! Now I get high on illusions and nothing more. Throw me down and the lover gets near me

I'm sorry but I have to be alone now.

The only drugs that I've ever really thought about are already inside of me.

So throw me down and the lover gets near me

And I'll do what I have to do, have to do.

The only trips that I've ever really thought about are already inside of me. But don't you want to be creative
(want to be creative?)

No Here, my life. I don't need your celebrations.

I'm getting life pumping blood to my heart.

And nothing ever gets done.

Because I know what I want. I know what I want (x3) Hey! Just a give it up! Now I get high on illusions and
nothing more.

Hey! Just a give it up! Now I get high on illusions and nothing more. So throw me down and the lover gets near
me

I'm sorry but I have to be alone now.

The only drugs that I've ever really thought about are already inside of me.

So throw me down and the lover gets near me

And I'll do what I have to do, have to do.

The only trips that I've ever really thought about are already inside of me. Simba Simba Simba the lion king
