

# What Is This Thing Called Love?

**Patricia Barber**

What is this thing called love?

This funny thing called love

Who can solve it's mystery?

Why should it make a fool of me? I saw you there one wonderful day

You took my heart and threw it away

That's why I ask the Lord above

What is this thing called love? I saw you there one wonderful day

You took my heart and threw it away

That's why I ask the Lord above

What is this thing called love?
