

# Ride Sally Ride

Lou Reed

Sit yourself down  
Bang out a tune on that grand piano  
Sit yourself down  
Lay languidly down upon that sofa Oh, isn't it nice  
When your heart is made out of ice? Ride, Sally, ride  
It's not your time or way of confusion  
Ride, Sally, ride  
'Cause if you don't, you'll get a contusion Oh, isn't it nice  
When your heart is made out of ice? Sit yourself down  
Take off your pants, don't you know this is a party?  
Sit yourself down  
Why do you think we brought all these people, Miss. Brandy Oh, isn't it nice  
When you find your heart's made out of ice? Ride, Sally, ride  
It's not your time, it's just your confusion  
Ride, Sally, ride  
It's not your time, you'll get a contusion Oh, isn't it nice  
When you find your heart is made out of ice? Ride, Sally ride  
Ride, ride, ride, ride, Sally ride
