Rats

Metz

You dont know what it is x 2
You cant find it
Youve been hearing a sound
Crawling around in your mind
Youve been hearing a sound x 3
Theyve been crawling around againYou dont where it is x 2
You cant find it
Youve been hearing a sound
Crawling around in your mind
Youve been hearing a sound x 3
Theyve been crawling around againYou dont know
Youre in deep
Its too late
You cant sleep
You got rats x 4
