# Tamahana

## Te Vaka

Have always loved you
I hope to for a life time
The promise made
By this heart of mineHold the line
You know one day
I will come
I will come for youYou don't know what it's like
For all your hopes to rise
To see them fall again
With the setting sunIn my heart you're the one
I know one day
You will come
You will come for meI will comfort you
We'll grow old forever
Together in love
To settle in the calmFollowing loves frown
It's just you and I
Never let you down
I will never let you downTamahana
E he galo koe i toku loto
Tamahana
Just you and I
For a life timeI will always love you
And not for just this lifetime
The promise made
By this heart of mineYou're the one
I knew one day
You would come
You would come for meTamahana
E he galo koe i toku loto
Tamahana
Just you and I
For all time
