

Vampira (Song Shop Studio Session C)

Misfits

Hey
Black dress moves in a blue movie
Graverobbers from outer space
Well, your pulmonary trembles in your outstretched arm
Tremble so wickedTwo inch nails
Micro waist
With a pale white feline face
Inclination eyebrows to thereMistress to the horror kid
cemetery of the white love ghoul, well
Take off your shabby dress
Come and lay beside meCome a little bit closer
Come a little bit closer
Come a little bit closer
Come a little bit closer to this
