

# Yes Sir I Can Boogie

## Chiwetel Ejiofor

Why i am leaving you,  
am afraid in this life,  
lola has always been drawn  
to the most exiting,  
the most daring ,  
the most sexy,There is tell of a mystical place,  
north of here, called,  
Northampton.Exciting because  
it contains a favolous new factoryDaring,  
because it's run by a man brave to recognize  
that a factory is its people,  
not its bricks.

And sexy,  
well, because now I work there.And the craftsmen of fantasy,  
for ladies, gentleman,  
and those of you who are yet  
to make up your minds.Tonight I give you,  
the Kinky Boot Factory.Yes sir, i can boogie, but i need a certain song  
I can boogie, boogie woogie, all night long  
Yes sir, i can boogie, if you stay, you can't go wrong  
I can boogie, boogie woogie, all night longNo sir, i don't feel very much like talking  
No neither walking  
You wann know if i can dance  
Yes sir, already told you in the first verse  
And in the chorus  
But i will give you one more chance, ohYes sir, i can boogie, but i need a certain song  
I can boogie, boogie woogie, all night long  
Yes sir, i can boogie, if you stay, you can't go wrong  
I can boogie, boogie woogie, al night long
