

Somebody Needs You (Featuring Greg Dulli)

Lo Fidelity Allstars

Precious somebody wants ya
I think I met you at a party and left with an impression
Like foxy I want you
I wonder what her mouth tastes like
I wonder what she look like in the morning
What you look in in the morning child Somebody wants ya
Somebody needs ya
Together we can take it home
Your lips girl, they kill me
Confuse me and fulfill me
Your bodies like a road
Come slip that knot around my throat Baby watch me swoon
Baby and do my thing
Come on clap your hands little mama
And do what your daddy said Saw you shake your ass on the corner now get it on back to bed.
Saw you shake your ass on the corner now get it on back to bed.
Saw you shake your ass on the corner now get it on back to bed.
