Young Nation

Aaliyah

Young nation under a groove
Keepin' it smooth with a jazz attitude
Young nation under a groove
Keepin' it smooth
(Ooo, yea)
Young nation under a groove
Keepin' it smooth with a jazz attitude
(It's the young nation)
Young nation under a groove
Keepin' it smooth
As I'm strollin' down the park
With really nothin' on my mind
Laid back and I'm just
Thinkin' of old times
Pumpin' our Isley Brothers tape
When I'm waxin'
Peepin' through my chapeau
Checkin' out my waxin'
Hey!
I gotta say today's a good day
For me the lover on the way
Ho!
Time to hit the six four
(Ahh ahh)
And pump the bass
And I'm just a little known
Aaliyah's in the house so I think
You'd better check my flow
Hello! Hello!
I'm the young nation
And young nation is me
So here we go
From the one the two
And to the three
Young nation under a groove
Keepin' it smooth with a jazz attitude
(This is the young nation)
Young nation under a groove
Keepin' it smooth

(Ooo, yea)
Young nation under a groove
Keepin' it smooth with a jazz attitude
Young nation under a groove
Keepin' it smooth
I check my cellular
Because my beepers beepin'
Booty calls are creepin'
Fellas on the corner beepin' me
(Wassup, wassup)
Don't set it off
And so I pick up my girls
And hit the streets just because
Jazz array hey, it's Saturday and
The sun is blazin', and so I'm lazin'
And if you are a YNP
And you're rollin' with the PGP
Congratulations
I know I got the skills to make you trip
R Kelly's flippin' tracks
So grab a hold and don't you sit
The nigga diggin' nation
That's a sooner gets my grip
So raise your hands if you're sure
Are you a young nation?
Young nation under a groove
Keepin' it smooth with a jazz attitude
(This is the young nation)
Young nation under a groove
Keepin' it smooth
(Smooth)
Young nation under a groove
Keepin' it smooth with a jazz attitude
(Please take me young nation)
Young nation under a groove
Keepin' it smooth
Well, six o' clock, girls are round
And now I'm steppin'
Stop to get some dressin'
To the mall I'm flexin'
You know to get them funky croaka sacks
Tonight I'm hittin' the town
Ain't holding nothing back
Hey!
Well alright tonight is the night

Well I'm in the mood for celebration
Or even some jazzy conversation
Hey!
It's okay here I come so anyway
I'm the young nation
And young nation is me
So here we go
From the one the two
And to the three
Young nation under a groove
Keepin' it smooth with a jazz attitude
(In to the young nation)
Young nation under a groove
Keepin' it smooth
(Smooth)
Young nation under a groove
Keepin' it smooth with a jazz attitude
(Young nation)
Young nation under a groove
Keepin' it smooth
(Na, na, na, na, na, na, na, na, na)
Young nation under a groove
Keepin' it smooth with a jazz attitude
(Na, na, na, na, na, na, na, na)
Young nation under a groove
Keepin' it smooth
(Na, na, na, na, na, na, na, na)
Young nation under a groove
Keepin' it smooth with a jazz attitude
(Na, na, na, na, na, na, na)
Young nation under a groove
Keepin' it smooth
Hey! it's a great day
The lover on the way
Young nation
