

I Wish You'd Stay

[Brad Paisley](#)

I talked to my sister in Memphis and I told her you were movin' to town
Here's her number, she said she'd be glad to show you around
Well, I left a map on your front seat just in case you lose your way
But don't worry, once you reach Sallasaw, it's all interstate I know you need to go
But before you do I want you to know That I wish you the best and I wish you nothing less
Than every thing you've ever dreamed of
And I hope that you find love along the way
But most of all, I wish you'd stay I figure right about sundown, you'll be in West Tennessee
And by then maybe I'll understand why you had to leave
Well, I know that you've done some changin'
I know there's no changin' your mind
Yes, I know we've been through this a thousand times And I'm sorry for still holdin' on
I'll try to let go and I'll try to be strong And I wish you the best and I wish you nothing less
Than every thing you've ever dreamed of
And I hope that you find love along the way
But most of all, I wish you'd stay Yes, everything you've ever dreamed of
And I hope that you'll find love along the way
But most of all, I wish you'd stay I wish you'd stay
