

Pushin' On (Situation Edit)

The Quantic Soul Orchestra

Till my stone cold grave I'll be Pushin on (she'll be pushing on)
Till my blood runs dry I'll be riding high (she'll be riding high)
When my soles wear through I won't be feeling blue, I'll be Pushin' on (pushin' on)
YEAH! Till my soul fades by I've got to try try try (got to try try try)
Till my breath's all gone I'll be pushin' on so strong (oh so strong)
On Judgment day I won't fade away, I'll be Pushin' on (pushin on)
YEAH! Till my dying day I won't give it all away I'll be pushin' on (pushin' on)
Till the rivers run dry I've got to try try try, I'll keep pushin' on (pushin' on)
When my soles wear through I won't be feeling blue, I'll keep pushin' on (pushin' on)
YEAH!

Push push pushin' on
She'll keep pushin' on
Push push pushin' on
She'll keep pushin' on
Push push pushin' on
She'll keep pushin' on
Push push pushin' on
She'll keep pushin' on
Push push pushin' on
She'll keep pushin' on YEAH!
Push push pushin' on
She'll keep pushin' on
Push push pushin' on
She'll keep pushin' on
