

# Where We Belong

## Sanctus Real

Are we afraid of what people say, what they think about us?  
This is the way of cynical hearts learning to trust  
Everyone is scared of feeling out of place  
Breakaway the walls  
Carry us to where we belong

Make a way for us to follow grace so we can love everyone the same  
Can I learn to drop my guard and show  
someone my heart?

Break the vice of stereotypes that keep us apart  
I'm no stranger to the feelings of being insecure and out of place
