

# Alien Youth

## Skillet

It's been confirmed that the aliens have landed  
It's been confirmed that the aliens have landed Worldwide Jesus domination  
Love conquers all  
Rise like a chosen generation  
There's no stopping it all Come on freaks let's go  
Come on freaks let's go  
Get all the freaks and let's go We're taking over the world  
We're the alien youth  
We're coming for your souls We're gonna, we're gonna, we're gonna shake the world  
We're the alien youth  
We're taking over, over, over, alien youth Come on freaks let's go  
Come on freaks let's go Do you believe that the aliens have landed  
We're everywhere you go  
Infiltrate at the break of revolution  
You can't stop the revival And we're not gonna leave this world alone  
And we're not gonna leave it, yeah We're taking over the world  
We're the alien youth  
We're coming for your souls We're gonna, we're gonna, we're gonna shake the world  
We're the alien youth  
We're taking over, over, over, alien youth Come on freaks let's go  
Get all the freaks and let's go  
Come on freaks let's go  
Get all the freaks and let's go And we're not gonna leave this world alone  
And we're not gonna leave it, yeah And we're not gonna leave this world alone  
And we're not gonna leave We're taking over the world  
We're the alien youth  
We're coming for your souls We're gonna, we're gonna, we're gonna shake the world  
We're the alien youth  
We're taking over, over, over We're taking over the world  
We're the alien youth  
We're coming for your souls We're gonna, we're gonna, we're gonna shake the world  
We're the alien youth  
We're taking over, over, over, alien youth
