

Ghost Love Score (Live at Wacken 2013)

Nightwish

We used to swim the same moonlight waters
Oceans away from the wakeful dayMy fall will be for you
My fall will be for you
My love will be in you
If you be the one to cut me
I'll bleed foreverScent of the sea before waking afterwards
Brings me to thee
Into the blue memoryMy fall will be for youInto the blue memoryA siren from the deep came to me
Sang my name my longing
Still I write my songs about that dream of mine
Worth everything I may ever beThe Child will be born again
That siren carried him to me
First of them true lovers
Singing on the shoulders of an angel
Without care for love n' lossBring me home or leave me be
My love in the dark heart of the night
I have lost the path before me
the one behind will lead meTake me
Cure me
Kill me
Bring me home
Every way
Every day
Just another loop in the hangman's nooseTake me, cure me, kill me, bring me home
Every way, every day
I keep on watching us sleepRelive the old sin of
Adam and Eve
Of you and me
Forgive the adoring beastRedeem me into childhood
Show me myself without the shell
Like the advent of May
I'll be there when you say
Time to never hold our loveMy fall will be for you
