

# No Resistance 1968

Balzac

No resistance  
Nobody's there  
No resistance  
Psycho 68 No resistance I don't care  
Screaming late at the night  
I've got something to say  
I know what to do  
No resistance I don't care I get find my way  
I take dear one?  
1968  
Because I know when you're the one of my love
